For and on behalf of LEEA

Chairman

Chief Executive

Date of Certificate – 1st September 2020

Date of expiry of Certificate – 31st August 2021

This certificate is the property of the Association and shall be returned on demand. It is not issued under, in pursuance or by virtue of any statutory or Government sanction but by the authority of the Association only. It is valid only in the country listed above.

This is to certify that the Quality Management System of:

Scotia Handling Services Limited
68 Bridge Street, Linwood, Paisley, Renfrewshire, PA3 3DR, United Kingdom

applicable to:

Manufacture, hire, supply, installation and repair of lifting tackle. In-house and on site load testing (Nondestructive testing) including Life Boat Davit Systems. Supply and inspection in the use of height safety equipment. Supply and fitting of marine, architectural and structural stainless steel rigging. Supply and fitting of specialist one-off rigging systems

has been assessed and registered by NQA against the provisions of:

ISO 9001:2015

This registration is subject to the company maintaining a quality management system, to the above standard, which will be monitored by NQA

Approval of Service Suppliers

Office: Glasgow, UK
Date of issue: 25 September 2019
This is to certify that: Scotia Handling Services, 68 Bridge Street, Linwood, Paisley, PA3 3DR
(hereinafter referred to as "Supplier")

Tel: +44 (0) 1505 321127 Fax: +44 (0) 1505 321333 Email: gerry@scotiahandling.co.uk

having been assessed hereby receives approval in accordance with the requirements of Lloyd's Register Procedures for Approval of Service Suppliers as Supplier from the address(es) listed above for the provision of

Surveys, servicing and testing of lifting appliances

Load Testing of Shipboard Lifting Appliances in accordance with manufacturers recommendation, LAME Code or other National or Statutory requirements.

Maintenance, thorough examination, operational testing, overhaul and repair of lifeboats and rescue boats, launching appliances and release gear

Independent Lifeboat davit servicing and testing in accordance with requirements of SOLAS II/20with regards to inspection and testing of davits and winches only.
Scope for the supplier is limited to Gemmel & Frow Limited and Gemmel & Prout Marine Limited Manual Davit Winches and Davits.

Service engineers are to be provided with a valid Certificate, issued by this Approved Service Supplier, which defines their level of qualification and the scope of the certification (i.e. makes and types of equipment and specifically state which activities (e.g. annual thorough examination and operational tests; 5-year thorough examination, overhaul; overload operational tests; repairs) are covered by the certification). This Certificate should be made available when requested.

This approval is conditional upon the Supplier maintaining the documented scheme as audited by any member of the Lloyd's Register Group and hereby approved, and notifying Lloyd's Register in writing of any change to that scheme including any change in personnel, equipment or procedures.

This certificate is issued to the Supplier and, subject to the Supplier complying with the necessary conditions, is valid to the date referred to below. This certificate is valid until 10 September 2022

N. Kapemas
Surveyor to Lloyd's Register EMEA
A subsidiary of Lloyd's Register Group Limited
